

Subject: Congratulations and Upcoming IV Leadership Convention

Dear IV Leaders,

First and foremost, Mubaraki on your appointment. Following our recent IV Roadshow, we have established an open, two-way communication channel between us and our volunteers. This initiative is based on the feedback we received, as we strongly believe that open communication is essential.

We appreciate the feedback we've received from our volunteers, both positive and constructive. Our aim is to address any concerns together to further strengthen the IV.

As you may know, our first IV Leadership Convention will not only focus on essential leadership skills but will also address the feedback we've received and how we can work collectively to make improvements. I understand that not everyone may be able to attend, but we are planning more events next year. If possible, I encourage you to attend this one.

Please remember that we are here to support you, and, Insh'Allah, we will work together to make your journey as an IV Leader a smooth and fulfilling one.

Lastly, to all directors, please review the members in this chat and confirm that all your team leaders are included. If anyone is missing, kindly reach out to Ayesha to ensure they are added.

Thank you, and I look forward to the journey ahead together.

Asif Sarangi on behalf of The IV Executive Team
