The first time you log in, you will see a Data Consent and Privacy Notice screen, which you must agree to before you can use the platform:

Volunteer Data Consent & Privacy Notice

By registering, you acknowledge and agree that the Ismaili Volunteers VMS will collect and use your personal data to administer volunteering, including matching you to suitable duties and managing your training.

What we store

We will hold only relevant volunteer information, which may include full name, email address, mobile phone number, age band, duty preferences and skills. If you have a Disclosure & Barring Services check, we may capture this information also.

Sharing your contact details (for volunteering purposes)

To support volunteering activities, your contact details may be shared with the relevant team leader(s) within our committee or with relevant institution contacts (where appropriate) so they can contact you about volunteering duties, schedules, updates, and operational requirements.

Training and duty logs

You understand that your training activity (e.g., learning/training video completion) and duty participation/assignments may be recorded and logged against your volunteer profile for operational, safeguarding, and compliance purposes.

Once accepted, you will see the following home screen. Click the Orange “Complete Registration” button to open the registration form:
